

# Day Of Change T-Shirt Design

## Change is good.

Not just the change in your pocket, but the life-long change that will impact the lives of every guest family that calls Ronald McDonald House home. RMHCA celebrates Day of Change in October to commemorate the opening of the very first Ronald McDonald House in Philadelphia in 1974. To celebrate we rally around Donation Boxes (& Kiosks) because you can Round-Up #forRMHC.

The Day of Change T-shirt is produced each year to raise money for Day of Change and RMHCA mission. This year, we want to include the community in the design!

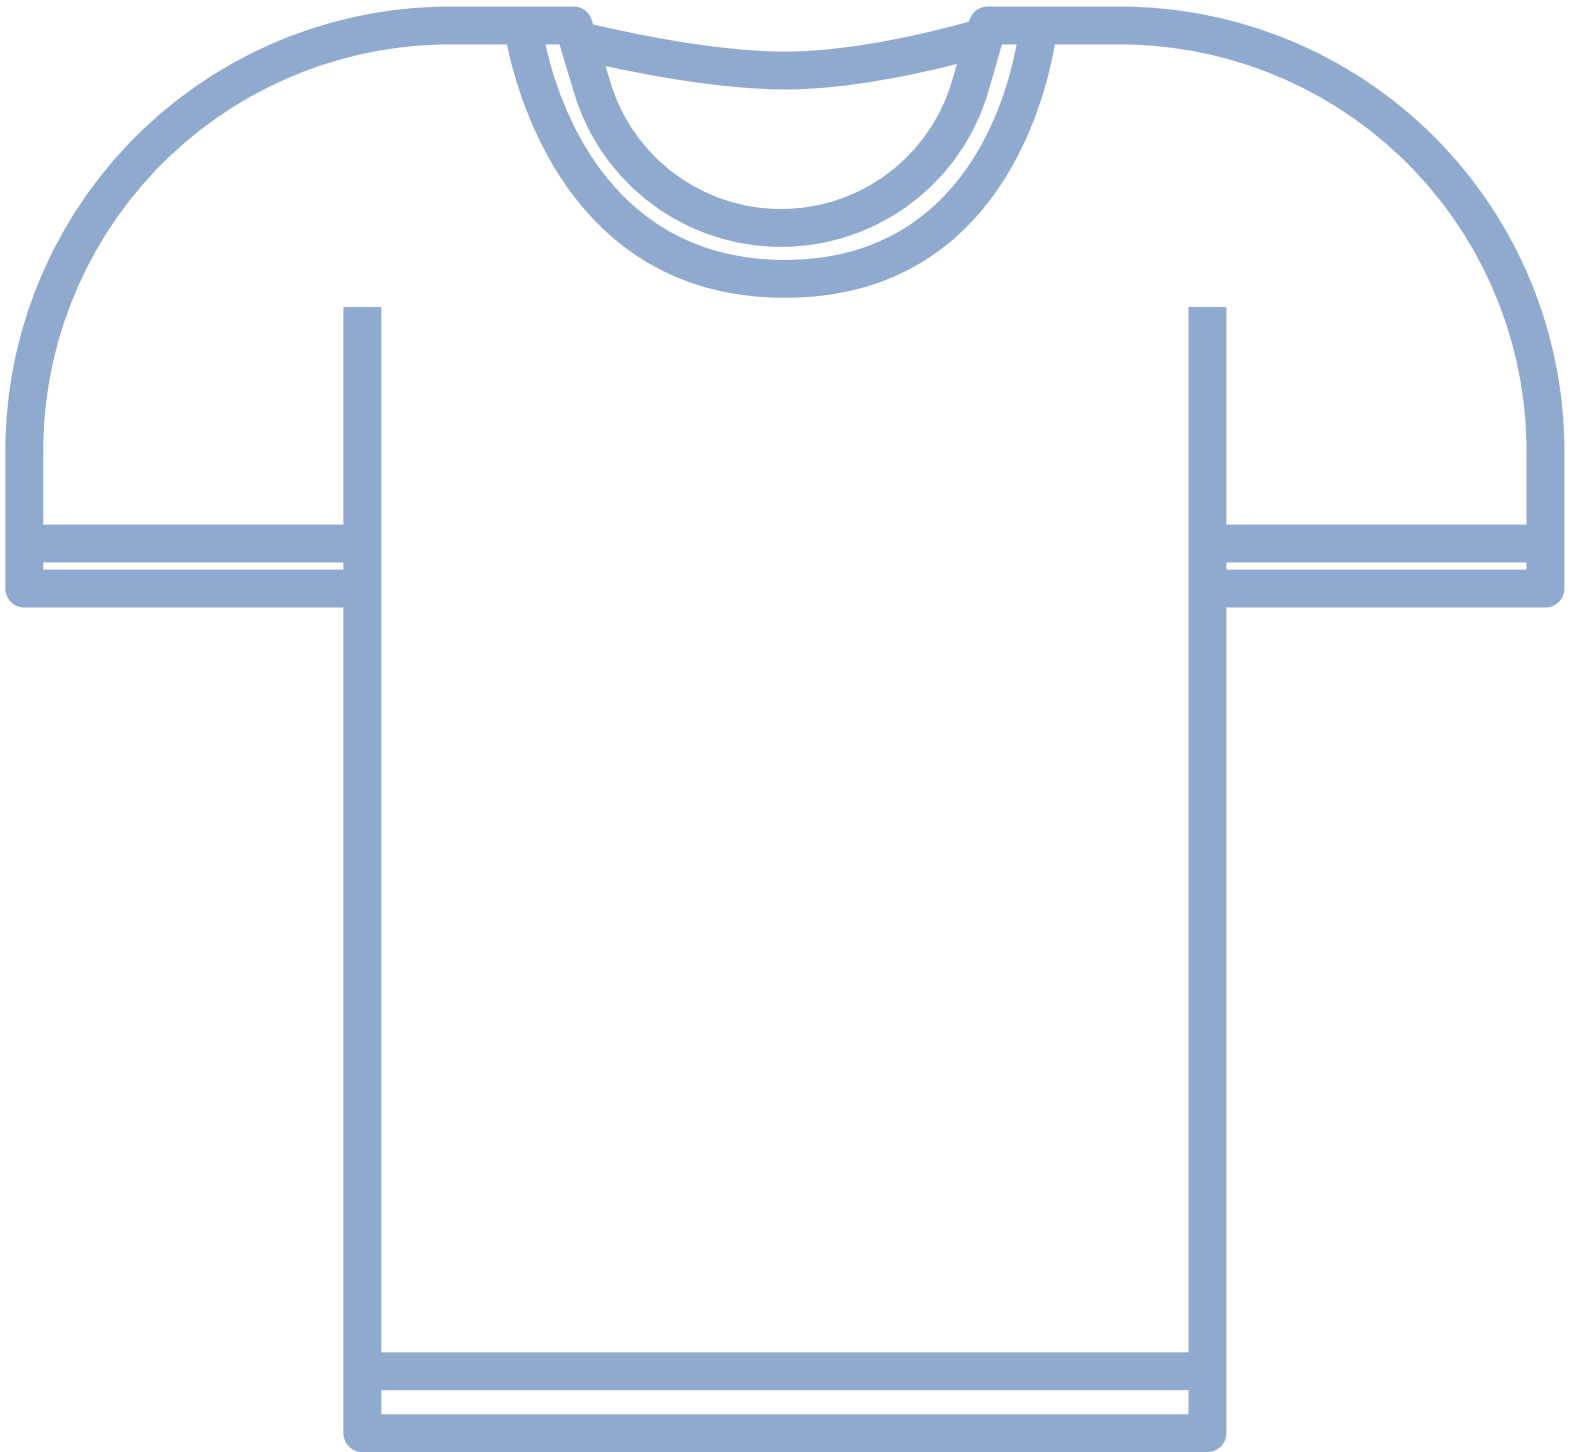

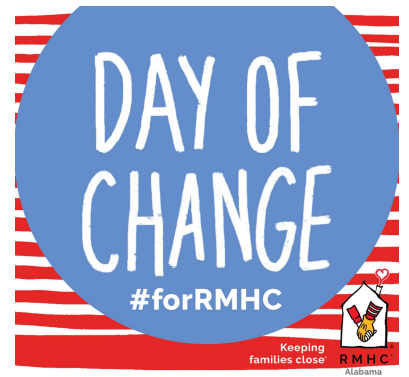

## Do your part.

1. **Design the tee** and submit your t-shirt idea by August 28, 2020 (details below).
2. **Get the tee!** Donate \$15 and you can sport a tee that is making an impact.
3. **Celebrate!** Wherever you are, you can make a difference for our Day of Change event in October (stay tuned for date announcement). Wear your tee and collect change! If you are able, visit a McDonald's Restaurant and Drop Your Change or Round-Up #forRMHC.

Submit your most creative design by scanning or taking a photo of your finished t-shirt templates and email them to [Stephanie.Duncan@rmhca.org](mailto:Stephanie.Duncan@rmhca.org) by **Friday, August 28th**. RMHCA Staff and our social media audience will vote on the most creative design.

\*Disclaimer: RMHCA will consider all voting but reserves the right to select the most appropriate design.

Use the t-shirt template to get creative! Design the front of the t-shirt and on the next page, design the back of the t-shirt.
